## BLS/MCI Three (3) Year Enhanced Warranty

**\$49.00**

### **ENHANCED WARRANTY**

Your Air Purifier is warranted to be free from all defects in material and workmanship in normal indoor use for a period of **three (3) years** from date of purchase. The warranty is granted only to the original purchaser. The warranty is subject to the following provisions: **NOTE: Not all Standalones contain PCO cells and or DBI Cells.**

This warranty **DOES cover parts** of the Air Purifier that require replacement under normal use. This includes the DBI cell, the PCO module (if it has one) and rear filter assemblies. Although the applicable cell and module requires periodic replacement (normally every three years), the actual PCO module (less the UV lamp) is warranted for the same **three (3) year** period as the purifier, **should the module need replacement**. Any damages or malfunctions caused by negligence, abuse, or use not in accordance with the Owner's Manual are not covered by this warranty. Likewise, any defect or damages caused by unauthorized service or the use of other than Genuine Manufacturer parts are not covered.

The warrantor will, at its option, repair or replace a defective Air Purifier part(s) for the Air Purifier that is covered by this warranty. As a matter of warranty policy, the manufacturer will not refund the customer's purchase price.

To register your warranty, follow the instructions listed below.

To obtain warranty service you must return the defective Air Purifier or Air Purifier parts in the original packaging, or pay for packaging provided for you by the manufacturer, to the authorized service center as directed by the warrantor. All transportation charges submitted under this warranty shall be borne by the purchaser. Unless this warranty is expressly renewed, enhanced or extended by the manufacturer or its agent, any repaired or replaced parts shall be warranted to the original purchaser only for the length of the unexpired portion of the original warranty.

#### **FURTHER LIMITATIONS AND EXCLUSIONS APPLY**

Any warranty that may be implied in connection with your purchase or use of the Air Purifier, including any warranty of merchantability or any warranty for Fitness For A Particular Purpose is limited to the duration of this warranty. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. Your relief for the breach of this warranty is limited to the relief expressly provided above. In no event shall the manufacturer be liable for any consequential or incidental damages you may incur in connection with your purchase or use of the Air Purifier. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.
